Good evening.

Yes, we can download the video footage and scene photos.

It will be useful to defence the injury claim, and we will settle the matter at best possible terms.

Hi Sharon,

Thank you for your return call.

Please kindly download from the link below. The folder consists of the video and photos.

I am also unable to notice the truck is braking as the traffic turns green right turn arrow while vehicles are moving off gradually. But when the truck suddenly brakes, which I did not expect any vehicle to brake while moving off slowly. Additionally, the truck has no brake light indicated to warn the vehicle behind him that he is braking to stop.

Let me know if you are unable to download the folder above.

Cheers.
Jerome
