CONTINUATION OF REPORT

Brief Details.

On 16/12/2022 at about 1915hrs, I was driving my taxi with two passengers in my taxi along the extreme right most lane of PIE towards Taus. During that point of time the traffic flow was heavy and the vehicles infront was slowing down so I slow down then when the vehicle infront stopped hence I applied my brakes and stopped in time but then I felt an impact from the rear which then I found out that it was an accident that involves 4 yehicles including mine as the first car followed by the one that hit me (SMN437X), I did not take down the vehicle plate number of the other two vehicles.

I wanted to exchange particulars, but they were not incline afterwhich I took pictures of my taxi damages and left the scene. During that point of time there were no police or ambulance attending to my accident. On 17/12/2022 I went to seek medical attention and received a total of 3 days MC in regard to the pains I sustained from the accident.
