Sketch Plan

Upper Changi Road East

Describe Circumstance of the Accident

On 22/12/2022 I was driving at upper changi Road east. Vehicle B was in front of me driving and it was raining. I wanted to go straight. Since it was raining vehicle B was in front me driving so I follow suit him thinking that he too wanted to go straight as he did not put any signal for turning right or left. As I know he was on his phone call while driving. When I follow suit him, he suddenly jam break and I hit his rear portion of his vehicle. After the incident Vehicle B owner came down to take a look at the impact, he say will call me as I wanted to do private settlement but till today there is no calls from him. I am here just to make a reporting. Plus when he came down to take a look at the accident damages he was still holding his handphone and looks like was still in a call.

Declaration

I/We declare the foregoing particulars are true in every respect.
