Brief Details.

On 10/01/2023 at about 1720hrs, the mentioned men and I wanted to go Kranji Lane from No.95, Holland Rd, as we wanted to collect our material for fabrication there. As such, we made our destination there with me as the driver. 2 men were seated at the passenger side of the van, and 1 more beside me.

On the same day at about 1722hrs, I was driving along Turf Club Avenue when there was a lorry in front of mine slowing down. As such, I had to slow down too. However, in the midst slowing down, I suddenly felt an impact coming from the rear of my van. After everything has stopped, I then went of the vehicle with all my passengers to investigate what has happened.

Apparently, there was a huge truck which has just hit onto my van. The truck driver of the other vehicle also went out and apologised to me. He informed that he was unable to control the brakes of his truck and he was too near to my vehicle, and later collided into my van. He later gave me his particulars and told me that he can pay for the damages, but I was later told by my boss to lodge a police report instead.

After the accident has been summarised, I drove to the workshop to get my vehicle repaired. However, around driving 1km away from the accident site, I was prompted by another lorry driver, pointing downwards to the engine area near driver seat. When I went out to investigate, there was an oil leak there, and I called 'Jin Pew Motor Workshop', contact: 6747 8125, to inform what has happened to my vehicle and get it towed away.

After the accident, all of us who were in my vehicle went to see the doctor. All of us went to get treated, and only PONNUSAMY VETRICHILVAN received 2 days of medical leave as his back was feeling painful. He claims to have fallen down during the accident in the van.
