kelvin call us on that he meets an accident dated 13/01/2023.

the car sent into workshop for repair & we got back our car on 19/01/2023. i sent a message to Kelvin saying *DO NOT DELETE THE MEMORY CARD IN MY CAR* because i want to see the accident video to make sure is not a false claim. he mentions to my husband that my car camera was not working which is false. my car camera was working all the while and i do regular check on it. i even ask him to send me the full claim report as we are the car owner, we have the rights to know, on the report Kelvin didn't even include my husband email instead he put his email even for contact number too. he even says that the claim is not 100% so what if the claim is unsuccessful who will bear the responsibility?

the nature of his work let me to have more suspect that is to cheat the insurance of repair cost and medical expenses that why this accident happens.
