Sketch Plan

Describe Circumstances of the Accident

On 17/01/2023 at 11.00am I was driving along Raffles Blvd towards Suntec direction. There was a TP officer controlling the traffic and my side we were stationary waiting for the TP convoy to pass. After a while, the officer controlling the traffic left. And the traffic light was green on my side. All vehicles started to move off. I drove off too, just right after I pass the divider, a TP came so sudden in front of me that I didn't have time to brake. I crash head on to his side.

Declaration

I/We declare the foregoing particulars are true in every respect.

Brief Details.

On 17/01/2023 at about 1055hrs, I was driving my car (registration plate: SGP2593A) along Bras Basah Rd towards Raffles Blvd. At the X-junction (Nicholl Highway towards Esplanade Dr), a traffic police officer stopped his motorbike and stopped all traffic to allow VIP escorts which was travelling from Nicholl Highway towards Esplanade Dr.

After the VIP escort cleared, the said traffic police officer returned to his motorbike and left. At the same time, the traffic that I was driving on (Bras Basah Rd towards Raffles Blvd) was in my favor (green light) hence I drove off with the rest of other vehicles.

Out of sudden, another traffic police on motorbike rode past from my left (Nicholl Highway towards Esplanade Dr). As it was too sudden, I did not manage to stop in time and hit onto his right-side area. He fell on the ground and there were a lot of traffic police came to the incident location. Ambulance was also called in and he was conveyed to hospital via ambulance.

One of the officers seized my incar camera SD card. I was advised to lodge a traffic accident report. Both my passenger (Grab) and I were not injured.

There was a witness (Dheeraj, HP: 82332453) who was also driving along the same road as the injured traffic police officer, and he told me that he witnessed everything. He had also provided his incar camera SD card to traffic police.
