Dear Mr. Hsiao Tong,

I acknowledge your letter as a representative of AIG Asia Pacific Insurance Pte. 'Audi Auto Protector Policy'.

The incident happened during a heavy thunderstorm and the traffic slowed down to a stop and go situation. The change of lane was clearly signalled.

The driver Mr. Hon Yong Seng was speeding in the right lane hit my car and was only able to stop approximate 8 Meter after hitting my car.

Under the above condition the behaviour of the driver should be seen as reckless.

During the exchange of information we were able to take photos of our car and the other vehicle with the plate No. GBH4729P.

My car was damaged on the driver side just at the height of the right front wheel.

The delivery van showed no damage and it is documented by photos taken at the scene on January 5 2023 at 2.54 pm.

regards
Helmut Widdek

P.s. The relevant photos will be sent by a separate email.
