Brief Details.

On the above-mentioned date, time and location, I was driving my vehicle (SLU6830D) along Upper Changi Road East towards Tampines. I had stopped at the cross-junction of Upper Changi Road and Bedok Road as the traffic light was red. At the point of time, I was on lane 2 and the traffic light at the junction turned green and I had proceeded forward. Out of a sudden, there was another vehicle (SJB2121S) that had come from my left side abruptly and I was unable to stop my vehicle in time and collided onto the said vehicle's right-side vicinity. The collision had caused vehicle SJB2121S to crash into the green metal railing at the sidewalk. After the collision, the other vehicle's driver namely: Shen Rong and I got down from our vehicles and assessed our vehicle's damages. Shen Rong had a passenger with him, and all subjects involved including myself, had not sustained any injuries. Shen Rong proceeded to call for police and we were attended by Traffic Police who informed us to lodge a traffic accident report after the incident. Reference report number: G20230123-0139
