**Brief Details.**

On 25.01.2023 at about 1800hrs, I had parked my car, bearing registration no. SMV9119M at an unknown parking lot located in the open-spaced carpark at Blk 186 Toa Payoh Central. My car was parked outside NTUC Fairprice.

When I returned to my car on the same day at about 1900hrs, I discovered that there were damages on the front part of my car. There was no note left on my car.

On 26.01.2023 at about 1300hrs, I viewed the footage captured from my car's camera and noted that on 25.01.2023 at about 1835hrs, a lorry bearing registration no. GBE2763T had reversed and collided onto the front part of my car before driving away. While viewing the footage, I noted that a male subject was seen to be looking at the damages on my car and I suspect that he was the driver of the lorry.

I have saved the camera footage. That is all.
