CONTINUATION OF REPORT

Brief Details.

On 04/02/2023 at about 1725hrs, I was driving my vehicle bearing the registration number of SMZ1639K along AYE towards Changi, before North & South Buona Vista exit on the extreme right with a passenger (my mother) onboard. The weather was drizzling and the road surface was wet. The traffic was heavy and thus, the vehicle in front of me came slowly to a halt. Thus, I too gradually stopped pressed my brakes and my vehicle came to a halt. I was driving within the speed limit.

Suddenly, I heard a loud siren from behind, followed a loud bang sound on the rear of my vehicle. As a result, of that, my vehicle jerked slightly forward. However, my vehicle did not hit the vehicle in front. I turned behind and realized that an ambulance had collided onto the rear of my vehicle. I then drove to the side of the road and the ambulance driver did likewise. I came out of my vehicle and spoke to the driver namely, Abdul Rusydin Bin Sukiman, HP: 86991284, driving the SCDF ambulance bearing the registration number of QX2534K. The driver informed that he had seen me slowly down gradually from afar but he could not stop his vehicle in time. I asked him if he was alright and if his passengers were alright. He informed me that none of them were injured. Likewise, I informed him that my mother and I were not injured. The rear of my bumper had some dents, scratches and some paint chipped off. I asked the driver if he had any patient on-board and he replies yes. I told the driver to go to carry on his duties first. The driver gave me an Annex A form from SCDF. The form entailed the steps to do the claims. We exchanged particulars and left the place. Shortly after, I contacted the driver via call and WhatsApp and we exchanged photos of the damages to our vehicles. The driver was apologetic.

I wish to state that my mother and I were not injured. As a result of the accident, the rear of my bumper had some dents, scratches and some paint chipped off. However, my vehicle can still be driven. I have an in-car camera. However, the in-car camera is not working. This is the first time my personal vehicle had been involved in a traffic accident with a government vehicle. I would be claiming via my insurance against SCDF. I also wish to state that I had informed my supervisors in SPF. I am lodging this report for the Traffic Police to investigate into the matter.
