ACCIDENT REPORT

At about 10.45pm, I was notified at my home, by my condo security guard and Tom [taxi driver of SHD2238C] that an accident occurred involving my vehicle SJA8991M at the car park.

I went to the car park with them and noted the damage to right front of my car, visibly on the headlight, grille vent and bumper

The taxi confessed that he had parked his vehicle aside mine, and he had knocked into my car causing the damage. He is willing to bear the repair costs.

- [1] The guarantee is supplemental to the sale to you by CS-II Dealership Process ("the treatment") to your vehicle on the application date and for the consideration of the sum paid for the treatment ("the treatment price")
- (2) The company has agreed to guarantee the due performance of the above process in the manner to the extent as listed below.

The company hereby agree with you: -

1. The 3 Year guarantee or part thereof (CS-II Paint Protection System Process)

- (a.) You complete and send to the company the guarantee registration form within fourteen days of the application
- (b.) If within 36 months of the application date of the CS-II Point Protection System to your vehicle, you notify the company in writing that your vehicle has suffered subsequent deterioration to its paintwork by reason of fading, climatically induced cracking or loss of gloss.

2. Your Statutory Rights

The Guarantee is not intended to replace, modify or be a substitute for your statutory rights and the company shall not be responsible for any loss, damage, costs, expenses OR otherwise which may be incurred as a direct or indirect result of your purchase of the treatment

Assignment of the Guarantee (CS-II Paint Protection System Process)

The Guarantee is only valid if the car is transferred from owner to owner. Car Agent to owner transfers are not valid under our Guarantee.

4. Regular Inspections

In order to maintain your paint preservation at its optimum level, an annual inspection is recommended. This inspection is normally carried out at your supplying dealer. If there are any major marks or scratches on the paintwork, details should be noted on the guarantee. The CS-II dealership, at its own discretion, is entitled to request any inspection/grooming tee on each inspection and you are entitled to enquire whether any such fee will be charged and what the fee will be when you present your vehicle for inspection at the dealership. In the event that you wish to rely on this Guarantee to reclaim the treatment price, you will need to present to the company a duly completed Guarantee Card for the period of time from the application date to the date that you notify the company.

5. Limitations of liability for the company (CS-II Paint Protection System Process)

- a. The treatment must be applied at a CS-II approved dealership for the guarantee to be valid.

 - I. Vandalism: Any evidence of deliberate acts or omissions

 - III. Acidic Stains: Bird poo, tree sap, acid rain, petroleum, etc must be washed off immediately or within 24 hours, otherwise etching or discoloration may occur. Failure to do this likely to invalidate the guarantee on our inspection. No paint finish, however good, can withstand the prolonged effects of such corrosive matter.

6. Important Notes

Such leathers and other dyeing/polishing cloths should be discarded and replaced on a regular basis. Regular use of mechanical car washes and jet washes will eventually damage the
