**Subject:** RE: Shd3589h total lost

Dear Roger

I have reviewed the photos and note that the taxi sustained relatively extensive damage at its frontal portion and rear portion with the damage at the frontal portion being more severe than its rear portion. The impact from the collision had affected both its front chassis, repairing the taxi would affect its structural integrity. The taxi is recommended to be total loss.

Dear Veron

Please submit total loss report due to structure affected.

Best Regards,

**Bryan Ang**
