I am travelling along TPE and stopped at the junction of exit 10 due to red traffic light before turning right to punggol west flyover.

While waiting for the traffic light to turn green, a white toyota car SLT3944J was busy looking at his handphone and keep driving forward without stopping and hit my car rear bumper.

The driver of the white toyota SLT3944J did not bother to get out of the car to check. So i get out of my car to check and saw some white paint stains on my rear bumper so i told him we need to talk somewhere ahead after crossing the traffic light.

The driver of the white toyota SLT3944J is not apologetic at all and even told me its just small issue , use tissue paper can wipe off the stains.
As i am in a rush to fetch my son from school, so i get his number so that i can contact him.

Once i reached home, i tried cleaning up the white paint stains and it was noticed that my car paint came off on the affect area.
