Bro,

May I find out whether TP engage which vendor to do inspection on PMD?

2. We have a case where an old man who fell from his PMD and passed away. We are trying to see if we can send the PMD for examination for defects but not sure if LTA is able to do it or have to send to external vendor. I recall FAIT previously engaged a vendor to inspect a PMD in a fatal case before.
3. Hope that you can give us the vendor details for us to follow up, thanks.
