**Brief Details.**

On 14/02/2023 at about 1245hrs, I was driving my vehicle (EH95A) along Hillview Ave, on the second lane. I checked my right-side mirror and saw that on the first lane, there was an SCDF red rhino, with flashing light and siren. In front of the SCDF red rhino was vehicle A that was travelling parallel to me. In addition, I observed road works ahead of me on the first lane. Hence, I slowed down my vehicle to allow both vehicles on my right to overtake me. While I was allowing vehicle A to overtake me, I felt a collision in the rear. I realised that the SCDF red rhino's front bumper had collided against the rear bumper of my vehicle, while it was trying to change lane from the first to second lane. Both the SCDF red rhino driver and I proceeded to the side road at Hillview Terrace to avoid road congestion. I observed that the rear bumper of my vehicle has dents, and the paint was chipped off. I was provided with an SCDF correspondence notice - accident involving SCDF vehicle. I wish to state that there is an in-car camera installed in my vehicle and both the SCDF driver and I were not injured. However, I am unsure if the in-car camera is functioning well.

At about 12.45pm, while I was driving my car EH95A in the second lane along Hillview Ave, I saw, from my right side mirror, a SCDF red rhino (small fire engine vehicle) with flashing light and siren, driving in the first lane, traveling behind vehicle "A" which was traveling parallel to mine.

Ahead of the road, I noticed there is road work blocking in the first lane.

So I slow down my vehicle so as to allow vehicle A and the red rhino to overtake me.

While I was still driving slowly forward, allowing car A to overtake me, the red rhino changed from first lane to the second lane and hit the back of my car.

To avoid road congestion, both my car and the red rhino drove about 200m and turned into the side road, Hillview Terrace and parked there to deal with the accident.

I noticed my car back bumper is dented, and paint came off.

The red rhino driver told me his name was Ramdzan and he exchanged mobile number with me.

His mobile number is 90615073.

He noted down my name from my NRIC, but on my request, he said he didn't carry with him his IC nor driving licence. Instead, he gave me a SCDF correspondence notice - accident involving SCDF vehicle.

I took photos of my car and the red rhino and the road work block at Hillview Ave for records.
