JURONG WEST STREET 72

vJun2022

Describe Circumstance of the Accident

22/02/2023, around 7.20am, I was driving along Juring West Street 72, outside of Westmore Primary School. There are 2 lanes in that street, I was on the left lane, nearest to the school. There were many cars using both the inner and outer lane to turn right into the school. From my knowledge taught at Bukit Batok Driving Centre, I know that any vehicle from the outer lane who wants to turn left into a location, the driver of that vehicle has to, 1. signal 2. Check blind spot 3. Check side mirrors 4. ensure that there are no vehicles 5. ensure that there is enough space to filter into the inner lane and execute the turn. The vehicle involved in this accident is a Honda Vezel, SKX 9652 C, driven by Mdm Wee Siew Kuan. She was on the outer lane and signal was on. However, she did not have enough space to filter in and execute the left turn into the school. I was driving slowly, inching forward as the car in front of me entered the premises of the school. A van was also in front of me, but it turned in from the outer lane as well. At this point of time, Mdm Wee's car is right beside me. The bumper of my car is near her passenger seat door, which means she is not able to turn left in a safe manner. She was also still in the outer lane, she had not crossed the line, or her left wheel is on the line. When the car and van in front of me moved, I moved as well, my speed is slow. At this point I noticed that Mdm Wee continued to turn left at a sharp angle, in which I proceeded to stop. However, she continued turning in and the left side doors of her car hit the right front side of my bumper, and further proceeded to turn in to the school. I followed her into the school and stopped behind her. Upon alighting our respective cars, Mdm Wee raised her voice and claims that it is her right of way, threatening to call the police but backed out from it. We exchanged particulars, took photos of the damages to both cars and I proceeded to exit the school. From the time of accident till the time of writing this report now, Mdm Wee communicated with me in a foul manner via Whatsapp. I have spoken to her kindly explaining the details from my footage and told her to file the claim as she wishes to while I do my own filing and reporting.

2 photos of the damages to both cars,
2 videos of the incident are attached.

Declaration

I/We declare the foregoing particulars are true in every respect.
