#### Brief Details

On 18th February 2023 @ 1940hrs I was driving my vehicle with a registration number of SNG8583D along Stadium Drive towards Stadium Walk. When I was driving through the roundabout towards Stadium walk, a vehicle with a registration number of SMD6346M drove into the roundabout from Stadium Blvd and was driving right in front of me. Another vehicle with a make and model which I believed to be a "Mercedes" SUV white in colour from the inner lane of the roundabout sped up and drove across the vehicle in front of me to exit towards stadium walk. This caused the vehicle in front of me to perform an E-brake. Due to the sudden E-brake, I braked however I wasn't able to break in time. As a result I hit the vehicle in front of me, Me and my passenger did not suffer any injuries at the moment. The front right bumper and bonnet of my vehicle received damages. I then exchanged contact details with the driver in front of me, her details are Jessica Yeoh, 96931222 and her vehicle registration number SMD6346M. I also gave the passenger my contact details to contact me for anything related to the incident. The driver who drove the white car drove off from scene immediately. I have camera footage of the incident however I have yet to retrieve the footage as I have given it to my insurance company. I would like to make a police report on the driver who drove the white vehicle who made such a dangerous movement which caused an accident and claim all my losses and insurance from him.
