Brief Details.

On 24/02/2023 at about 0745hrs, I parked my car(bearing registration plate number: SMN8824J along upper east coast road, ESSO petrol kiosk. I then went to buy some groceries and went back to my car and exiting the petrol kiosk. There is a car in front of me also exiting the petrol kiosk to the main road(upper east coast road). The car then stopped and I bumped onto the car in front of me. I then noticed that the car driver did not get down and I observed that there is no damage on the other party car. I then adjusted my car and turn to the left of upper east coast road and move off.

I went to airport carpark and I realized that my front car bumper has missing grill and a one dent and scratch. I then went back to the petrol kiosk again and the pump attendant also passed me a contact number(Jel, 62411642) to see the cctv recording. I did so and Mr Jel informed that the other party car number is registration plate number: SJM4367D and he also claimed that the other party have lodged a police report.
