Describe Circumstances of the Accident

The accident took place this morning around 9.15am.

I was driving out from home at 13 Holland Green 179 Holland Road. At the junction just passed La Terceira I was behind a silver car at the junction getting into the main Holland Road/Alxendon road as I planned to drive towards the City while I was looking at the traffic from the other side and trying to get into the Holland road, my car moved forward slightly as there is no car on the main road but was accidentally hit on the car in front of me as the car is still staying still.

Declaration

We declare the foregoing particulars are true in every respect.
