**Description of the Circumstance of the Accident:**

On the above stated date and time, I was driving along Pearl's Hill Road. It was a zigzag road and according to me vehicles were not supposed to park by the side of that road. As I was driving ahead, vehicle B was waiting along the road on my left side and there was a cylinder drum on my right side. As I drive pass vehicle B, I feel vehicle B moved out. And that's where I hit his front right rear portion of the vehicle. Also to mention, there were no signs of vehicle B showing that he was waiting there as no indicators were switch on in his vehicle.

**Declaration**

I/We declare the foregoing particulars are true in every respect.
