Brief Details.

On 04/03/2023 at about 2115hrs, I was driving my vehicle along Jurong Town Hall Road facing West coast road. When I was turning right to AYE Towards Tuas, my vehicle (V1:YP1168M) was at the outer lane when turning when another vehicle (V2: SMY9680S) at the inner lane hit onto the right side of my Lorry while turning resulting in V2 having a small dent at the front left side of the vehicle.

I immediately went to check on my passenger and the V2 personnel, I observed that everyone was fine. However, I overheard V2 passenger telling the driver he went the wrong way and V2 driver ask the passenger to keep quiet.

We then exchange particulars for insurance claim. my vehicle does not have an in car camera but V2 vehicle was observed to have installed a in-car camera. I am lodging this report as i have recieved a letter from TP asking me to make a Traffic Accident Report vide reference number: TP/IP/07559/2023
