**Brief Details.**

On the 18/03/2023 at about 10:20pm, I was travelling along Thomson Road outside of Thomson Medical Centre. I had two passengers via Grab who were heading to Changi Airport.

During which there was road works ongoing along the said road. I was on the second lane from the left which had the road works being block with cones.

Due to that, I filtered to the left lane in order to proceed to PIE (Changi Airport) direction. Within seconds after switching onto the clear left most lane, I heard a loud bang coming from my vehicle's right side. As such I applied my brakes and come to a complete stop. I then realised that my vehicle was hit on the right side by a red 'Mazda' Car.

Due to the accident, I had stopped my vehicle to the left side of traffic, to check on my passengers as well as the other driver. At the time nobody was injured and we did not call for ambulance. The other driver and myself exchanged particulars and contact. We decided to file insurance claim for the damages.

On the 20/03/2023, I had visited the doctor as I felt that your neck was stiff and had a bit of chest pain. I was then given 2 days of MC by Ho Tong Clinic located at 35 Circuit Road.
