Report No. T/20220509/2031

CONTINUATION OF REPORT

Brief Details.

On the 07/05/2022, I was traveling along Yio Chu Kang Road and making a right turn towards Hougang Avenue 2. The green arrow appears and the vehicle (SCY8288S) in front started to move forward. A red car (SJU9085S) from the opposite direction suddenly beat the red light causing the car in front of my vehicle (SJL3286R) to brake.

As I could not brake in time, I collided to the rear of the vehicle in front of mine. The red car that dashes across the junction did not stop and drove off. My vehicle (SJL3286R) and vehicle (SCY8288S) gave chase and managed to stop the red car. We proceeded to exchange particular before driving off.

Later part of the day, I felt a strain to my neck and decided to visit Changi General Hospital. I was issued a medical certificate (MCR no. 66160J) of 3 days. As such I am making this report.
