Brief Details.

On 08/03/2023, I was driving company bus bearing plate number PC927X along AYE heading towards Tuas. I was travelling straight when suddenly I notice a lorry from the rear right lane coming closer towards my lane and I felt a slight impact.

We made a check and I discovered a lorry bearing plate number YL9446D had side-swipe my vehicle on the rear right side. My vehicle suffers deep scratch marks on the rear right. The driver of the lorry claimed that I was in the wrong whereas I believe I was not.

We concluded to let our insurance company settle the dispute. However, my company receives a letter stating that I must lodge a traffic accident report for a case of hit and run under Traffic Police Investigation Officer Sufiyan.
