Report No. T/20230323/2001

CONTINUATION OF REPORT

Brief Details.

On 22/03/2023 at about 1800hrs, I recalled driving my vehicle bearing plate no: SJQ9561E with my wife and daughter in it along Hougang Street 51 for the direction of Tampines Giant. When a traffic accident had took place along Buangkok Green, directly in front of Pelangi Village Complex.

From my knowledge, I was making a right turn at a T-Junction of Hougang Street 51 for Buangkok Green. When one vehicle bearing plate no: SMA1634E, believed to be from a driving school, was seen making the said turn too just behind my vehicle. Shortly after, the said vehicle was seen trying to filter/squeeze into the right most lane. While doing so, the said vehicle had collided into the rear right side of my vehicle. Instead of stopping the vehicle, the said person then hurriedly sped off. I wish to state that, I have since tried to locate/catchup with the said vehicle involved, but I eventually lost sight of it due to the heavy traffic. Nevertheless, I had since stopped my vehicle in making a check. From the best of my knowledge, no government property was damage, nobody was injured. However, the rear right side of my vehicle did sustain some scratches, dents and paint being peeled off.

I wish to state that my vehicle does have an in car camera as such the whole incident is recorded. I'm willing to provide the necessary video to the TP if needed for any police investigations.

I'm lodging this police report for my encounter.
