#### Brief Details.

On 24/03/2023 at about 1830hrs, I was driving my car (Honda, Jazz) in the carpark B2 of Waterway Point. As I was waiting for another car in front of me to move off from the stop line, I heard a loud bang coming my rear and my vehicle had jerked. I realize that a car (Mazda) had collided into my rear. I stopped my car and came out of the vehicle, I spoke to the other driver who denied he had caused the accident and mentioned that F was a pre-existing damage. I exchanged particulars with him after speaking to him when initially he was uncooperative.

he damage to my our

The damages my car sustained was dents to the rear bumper and door. I have both front and rear facing In-vehicle cameras installed.
