POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. G/20230322/7100

Dated 7 March, I was driving out my Audi SNJ8018D slowly from my house at 1 Bilal Lane, paying attention to an old man walking toward me from the left side, but not knowing there is a car Toyota SGX846S driving fast on my right side, I accidentally hit his car on left side corner. A very minor scratch on my car and I do not plan to claim for car repair.

There is no injury reported at that time from both the driver and his passenger. There is also no damage of public property. Both parties agreed to reports on insurance which I did. As such, I did not do any traffic accident report earlier.

I do have copy of Video and Photos to support my statement. I will send them separately by email.
