No. of Days granted Medical Leave	03	Degree of Injury	Slight

Brief Details.

On 17/01/2022, at around 1745hrs, I was riding my motorbike (V1 - FBR7104U) , with my wife as my pillion, travelling in Blk 416 Sujana Road open space carpark on our way out. A car (V2 - EK9988Z), suddenly came out of lot no.386. I did not see the car as it was blocked by a lorry which was parked next to it. I could not react in time, causing me to collide into the car. My motorbike suffered damages of: cracked front fairing and scratches mostly at the front area. The car suffered damages of dents in the front, right-side bumper. Ambulance and Traffic police later came to the scene. Myself and my wife were both conveyed to Ng Teng Fong Hospital. I suffered scratches and bruises on my arms, legs, and right side ribs, while my wife has a swollen ankle and some bruising. I am unsure what injuries the driver has, if any. I do not have any helmet camera. A witness has approached me with his in-car camera footage which captured the entire incident (I am unsure of his name, I only have his contact number, Hp: 9834 9096). I am lodging this report in reference to my initial report as amendments needed to be made. (Vide: T/20220118/2008 , under TP IO ISA).
