**Brief Details.**

I am a school bus driver. On 14/04/2023 at about 1.50p., I had picked up a group of school children from Aljunied and was proceeding towards Tampines via PIE. I was driving at Lane 2 at a maintained speed of 50KM/P. Just before Paya Lebar exit, a silver-colored Toyota Corolla Altis of vehicle number SLH 5887R was observed from Lane 3 and filtering into Lane 2. He filtered in at close range ahead of me and i slowed down, honked once at him to express my intent that he was filtering in dangerously and continued with my route. However, the driver was observed to be road hogging where he slowed down his vehicle and started to hold up moving traffic behind me. My other bus drivers behind me filtered into Lane 1, passed the abrupt driver and honked at him before proceeding away. The driver for no apparent reason began to drive with his hazard lights switched on and slowed down his vehicle even more. I attempted to overtake him on 2 occasions to avoid him, but I noticed that the driver began to intrude into my lane on both occasions and posed a hazard and threat to my school children and me. At one point, he was swerving his vehicle in a very dangerous manner on several occasions to slow me down. I honked at him several times to stay away. The driver then signaled me to move along the roadside just before Tampines exit 4B but I feared the safety of my school children and myself and refused to stop. His vehicle was stationary and I tried to avoid him by filtering to my right at Lane 4 and move away from him but again he intruded into my path and caused a collision where my van PA 1082L front lower bumper (passenger side) hit his driver's side rear lower bumper.

I stopped and parked my vehicle along the road shoulder and confronted the driver and to query of his intentions. The driver then called the traffic police. Traffic Police's highway patrol car arrived at scene, and I explained to the officers at scene on what happened and that I have video footages to show proof of the abrupt driver's errant road ethics. I was advised by the Police to lodge a report and make an insurance claim if need be.

I am hereby lodging a report to claim my damages in lieu of the driver's rash behavior and also would like the Police to view the footages produced to show proof of the driver's ill road mannerism.
