Brief details.

Dear Sir/Madam,

I am writing to file a claim for the car accident that occurred on 13/04/2023 at approximately 8:45am at the intersection of Traffic light junction on Balestier Road before Whampoa Drive.

I was driving my vehicle Toyota C-HR SND1721J, when I came to a stop at a red light at the intersection. Suddenly, another vehicle Toyota Altis SKX3563R hit my car from the back. I was not at fault for the

POLICE REPORT (NP299) **CONTINUATION OF REPORT** Report No. E/20230413/7065

accident as it was a red light junction which we came to a stop, and the other driver was clearly in violation of the traffic laws which they do not have enough space between vehicles and had tailgated.

The other driver, MAK SENG HONG, S1700066G, was reluctant to come out of vehicle and insisted that there was no contact with my vehicle. Upon multiple attempts, he finally came out and he denied the collision until impact of the vehicle was observed. Thereafter, he had changed his statements and mentioned that his vehicle automatically rolled which ended in collision.

He was in a bad temper and in a unfriendly aggressive manner, to tell me off to claim his insurance. There was no confrontation on my side towards his aggression. We went off thereafter taking photos with his driving license.

As a result of the accident, I suffered injuries to my neck, back, and shoulders, and my car sustained damage. I will be going for medical treatment in this few days if the injury sustains.

I am seeking compensation for the following damages, inclusive of Medical expenses, Vehicle repair costs, Lost wages, Pain and suffering.

I have also attached photographs of the accident scene.

I would appreciate your prompt attention to this matter, and I am available to provide any further information or documentation you may require.
