Brief Details.

On the 17/04/2023 at about 0814hrs, I was driving my Malaysian vehicle BJT679 along Jurong East Avenue 1 heading towards Toh Guan Road. Just before the cross junction of Jurong East Avenue 1 and Jurong East Central, the traffic light signal turned red as such I braked and stopped. Subsequently, I felt an impact on my rear. I alighted and saw one SMRT Bus bearing registration plate number SMB1380G had collided into my rear of vehicle. At the point of time, no one was injured. We exchange contact number, and left the scene. A few moments later, I received a call from the driver of the SMRT Bus and told me to proceed back to the scene as they require police assistance which I did.

The police then arrived, and I was asked to lodge a police report. My vehicle sustained dents on the rear door and is unable to lock due to the damages. The rear tail light was also damaged. I do not have any in-car camera on my vehicle.
