Brief Details.

On 25/12/21 at about 2330hrs, I was riding my bike along Yishun Ave 3. As I was turning right into Sembawang Rd, I slowed down as there was a e-bike dashed through the pedestrian crossing. As I was slowing down, I felt a big impact at my rear as such I fell of my bike. That is when I discovered a taxi/SH6866L had collided head to rear. Ambulance and Traffic police came. I was not conveyed and not given case card. We took pictures of scene and exchanged particulars.

On that night when I am home, I felt some pains on my leg. As such on 26/12/21 today at about 1240hrs, I seek medical treatment at Khoo Tech Puat Hospital and was issued 3 days MC/KHANE212132287.
