Dear Sir/Madam,

Our client unable to provide net book or purchase value for SMH7283H due to Private and Confidential.

We are reconsidering repairing the vehicle back to road-worthy condition and are willing to reduce and undertake the Lump Sum repair limit of not more than \$24,000.00.

Our prelim repair cost has already come to \$19,424.80 (excluding any check item and supplementary item).

You may check on our client's BlueSG car-sharing portal for the rental per minute is at \$0.42.

Per minutes	\$0.42	60	\$25.20	Per hour		
			\$100.80	Per day assume 4 hours of rental		
			\$3,024	30 days		
			\$181,440	Remaining COE left about 5 years		

Based on this calculation, our client's losing total sales revenue for the remaining COE period.

Your insured collided with our client's vehicle and suffered losses from this accident.

Kindly reconsider our ERV limit proposal amount of \$24,000.00.

Thank You

Warmest Regards
