### Brief details.

On the said date and time I was on a PHV job with passengers inside trying to exit the expressway to Jalan Eunos via exit 9 about 250-300m away.  
There was heavy traffic on the exit and it was standstill and moving at a snail's pace.  
As I neared the exit, a car came from the right lane and tried to cut into my lane aggressively.  
There was a motorcyclist in front of me and I moved forward to prevent the overtaking.  
The other car came very close to mine and as we inched forward, my car touched the licence plate of the motorcycle gently.

POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. G/20230429/7007

The rider turned around and looked at me and I lifted my hand in apology.

The rider did not dismount and looked away as the contact was minor and proceeded to move on and we were moving towards the exit at snail's pace.

After a few minutes just before the exit the rider expressed that he wanted me to stop.

I drove on until I found a spot to stop and we both inspected our vehicles.

There was no damage whatsoever on the back of the motorcycle or my car front bumper and no injury to the rider and I apologized again for the contact.

I suggested to the rider to take photos as proof which we did and as the rider did not ask for anything further we moved on.

Later in the evening SSG Azhav from Traffic Police called me to inform the rider has made a police report and I should do likewise.

My car rental company was informed and they will assist me in submitting the video at the earliest possible.

Regards.
