Brief Details.

On 06/05/2023 at about 1400hrs, I was driving along to Bedok Road and stopped at a traffic light near Country Park Condominium. As the light turned green and the car was still stationary, I felt a bump at the rear passenger side of my car. As the traffic light is green, I did not want to hold up the traffic behind me, so I moved off to turn left to go into Country Park Condominium. I did not stop to exchange details as I thought that it was a minor hit to my car and did not want to pursue the matter.

On the same day at about 10 minutes later, I drove out of Country Park Condominium as I was sending my grandson to Ubi Driving centre. I noticed that there was a family of 3 at the guardhouse and think that it might be the car (EM8989S) that had hit me. I told my grandson of the accident that happened previously, and he came out of the car to talk to them. I drove to the accident location, and they went to meet up at the accident location with me. My daughter, Ah Lai also came down to the accident location to talk the family. Ah Lai helped me to exchange details with them and took photos of the damages on both cars. I saw that my rear passenger side bumper was scratched and dented. The other car (EM8989S) had scratches on their rear driver side bumper. Mr. Koh (EM8989S) kept telling me daughter that they
