**CONTINUATION OF REPORT**

**Brief Details.**

On 2/5/2023 at about 1027hrs, I was driving my vehicle (SLL9162B) along the CTE(CITY) just after Ang Mo Kio 1 when my vehicle rear ended into another vehicle (SCP6666U) at slow speed along the first lane of the highway. At that time, the ground was dry, it was sunny and there was a heavy build up of traffic. As the vehicles were moving at a slow speed, vehicle SCP6666U slowed down to a stop and I stepped on the brakes but it was not enough to bring the car to a stop. With that, I rear ended her car and there was a slight cracks to the number plate of my car. Her vehicle suffered damages like some scratches and dents to the rear of her car. We both alighted and exchanged particulars (Other party: Elsie Thien, S6829326Z, 94562857), and agreed to claim with our respective companies. No one was informed to be injured in the process. I am thus lodging this report for police necessary actions as it involves a government vehicle.
