Brief Details.

On the above mention date, time and location I was at the said location to pick up one of my passenger via Grab booking. While waiting for the passenger along Kramat lane near to the exit of the carpark of Concorde Hotel, I spotted one vehicle - SNJ5445Z went against the flow of traffic into the service road of the exit of the carpark. The said vehicle then reversed and collided onto my vehicle left rear bumper. The said vehicle also made a 3-point turn and turn exit out from the service rd. The said vehicle came to a stop and the driver was seen arguing another group of subjects.
