Brief Details.

On 06/12/2022 at about 1500hrs, I was riding my motorcycle bearing plate number FBT6693G along Jurong West Ave 1 towards Jurong East Ave 1 on the middle lane. While I was riding straight, a taxi bearing plate number SHA8493H suddenly changed lane from the most left lane to the middle lane without checking blind spot causing his taxi to collide into the front left side of my motorcycle. The front left side of my motorcycle broken and has dents and scratches. The taxi's front bumper came off. We then exchanged particulars and left.

I then felt pain on my left leg area and back and went to see the doctor. I was given 3 days of MC from 06/12/2022 till 08/12/2022.

No ambulance or police were at scene. I am not sure if there is any in-car camera in the taxi.
