Brief Details.

On the above mentioned date and time, I was travelling along Race Course Road going straight on Lane 1 (Right Lane). A distance away in front of me was the other vehicle involved (Blue Comfort Delgro Taxi bearing VRN SH9645M). I was travelling behind him at a speed of roughly 40km/hr, when I saw him turning on his right signal. However, the Taxi Driver made a lane change to Lane 2 (Left Lane) and was already completely in Lane 2. The taxi driver then suddenly made an abrupt U-Turn from Lane 2, causing the front of my motorcycle to collide head on to his right rear passenger door. I then fell to the left, while my motorcycle collapsed to the right. Traffic built up shortly, and several passersby in the area assisted to move my motorcycle into Kerbau Rd, just outside Little India MRT Station. However, I did not manage to obtain the witnesses' particulars.

I then exchanged particulars with the taxi driver, namely Roslee Bin Ali. He informed that he wanted to make a U-Turn to the Taxi Stand at Tekka Centre to pick up passengers, and hence he performed the U-Turn. As such, he is in violation of Sec 13(1)(a) for failing to move

as near as possible to the right-hand edge of the roadway when performing a U-Turn, and instead did so from the outer lane (Lane 2). He also mentioned that he failed to see me in his blindspot or mirror before performing the U-Turn from the outer lane. He had offered to pay me \$200 Singapore Dollars as private settlement however i informed him that i would like to claim insurance instead.

Shortly after, Ambulance and Traffic Police arrived. The paramedics attended to me, and dressed my abrasions. As i was feeling fine at that moment, i refused conveyance. Upon reaching home and taking a rest, i felt pains in my both knees and left elbow. I also experienced soreness in my neck, lower back and buttocks, presumably from the impact when i landed on the floor. I then went to Tan Tock Seng Hospital, where i was diagnosed with abrasions & swelling in my knees & elbow, and a avulsion fracture on my left knee. I was given 4 days MC & referral to the Orthopedics Department. (medical documents attached).

I wish to state that both of our vehicles had onboard cameras. However, my camera was faulty and did not capture the accident. The taxi driver's camera was switched on and recording, however he informed that he is unable to retrieve the footages. I also wish to state that there are multiple POLCAMs along the stretch of road and also numerous cameras at Little India MRT Station that would have captured the accident. There were POLCAMs on Lamp Post 72, 74 & 76 along Race Course Road, and i would like to seek TP's kind assistance to review the camera footages. I also have more photos of the damages on both vehicles.
