Describe Circumstance of the Accident

On the above stated date and time, I was at West Gate Bukit Batok Loading Bay. As I was entering the loading entrance, vehicle B was parked on my left side. It was a big and huge lorry. There was one person standing beside the lorry and another one inside (looks like they wanted to unload things). As I approached near to the lorry to pass to the other side, suddenly the tip of the lorry tail board lift up and collided with the rear left portion of my vehicle. Upon impact when I move forward, I saw the tip of the tailboard move further up some more.

I/We declare the foregoing particulars are true in every respect.
