Dear Sirs,

We refer to the above matter.

Third party reported that he was on the 2nd lane from extreme right slowing moving towards Orchard Road due to heavy traffic jam. Suddenly our insured drove out from Hilton Singapore Hotel and tried to squeeze into the major road which it accidentally grazed third party front right portion. Our insured did not stop and continued to drive off.

Our insured reported that he did not hit any car as alleged by third party.

Third party submitted a copy of video footage for our review. We are of the view that the video is inconclusive as we are not able to see any impact. Furthermore, our insured strongly disputed on third party claim.

In view of this, we are intending to reject third party claim.

For your review/ instruction. Thanks.

Best Regards,
