**Brief Details.**

I am the car owner of vehicle registration number SMR5661K.

On 30/05/2023 at about 1539 hrs, I was driving along Lornie Highway towards Wollerton, a lorry was on the left lane in front of my car. Whilst travelling along the road, the debris from the lorry flew out and it onto the front bumper of my car. I am not sure what was the debris but it looked like some wooden stuffs.

After the accident, I drove past the lorry however the lorry driver only raise his hand at me indicating that he was sorry. I drove to the nearest bus stop and waited for the lorry but it did not show up.

My car upper and lower bumper was scratched and dented. My car registration plate was also damaged. I wish to inform that my car is install with in car camera and the registration number of the lorry is YQ2092K.

I am lodging this report for Police investigation
