### Without Prejudice

Dear Kenny,

We refer to the above matter.

We have obtained vide footage from our insured. Based on the video footage, your client overtaking from behind and made an abrupt left turn without checking clearance of traffic and caused collision.

We have our principal's instruction to reject your client's claim against our insured. Thank you.

With warmest regards,  
Ezlyna

Dear Sir / Madam,

We refer to the above matter.

Please be informed that OI has reported. Please refer to the below OI's sketch plan and statement.

**Brief Details.**

I was travelling straight along Lor Chuan towards Serangoon Garden when a car from behind tried to overtake from the right, and even attempted to make a last minute left turn into Chuan Walk. This resulted in a collision between the left portion of his vehicle and my right front portion of my vehicle. We exchanged particulars and left the scene. I sought medical attention thereafter and was given five days of medical leave. I was advised to lodge an accident report on this said matter. I have also retrieved my video footage.

**Please provide us the following.**

- **evidence i.e. video and scene photo (if any)**
- **PIR result (if any)**

Please note that for liability, claim negotiation and settlement, please contact **Hsiao Tong**.

*To check availability of the case handler, you may contact the undersigned.*

Thank you.
