Sketch Plan

Describe Circumstances of the Accident

The accident happened on 28/05/2023 @ 10:43 along Dunearn Road. Our vehicle SLE293C including the front vehicle were stopping and waiting for the traffic to be cleared before we can move out. When the traffic was cleared, the front vehicle start moving and we followed too.

Out of a sudden, a red vehicle SLX839D which was traveling along Dunearn Road in the middle lane suddenly cut into our 1st lane and caused the accident.

At that moment, SLX839D was behind a motor van and didn't show any intention of cutting into 1st lane. There's also no turning signal from his vehicle.

In fact, the footage clearly showed that the driver is definitely able to see all our vehicles were moving out. He didn't even bother to slow down else accident should not be happened.

As we couldn't reach an agreement to privately settle the matter. Therefore I am filing this report to claim against him. That's all.

Declaration

We declare the foregoing particulars are true in every respect.
