**Brief Details.**

On 29/05/2023 at about 1645hrs, I was parking my company lorry (GBE8135S) at 12 Mandai Estate going back home. While I off my engine and was going back home, suddenly this lorry (YP7517A) parked in front of me. The lorry (YP7517A) driver then started to reverse, I honked him however he continue to reverse. The lorry (YP7517A) rear hit onto my lorry (GBE8135S) front. Both of came out of the vehicles and I asked the lorry (YP7517A) driver for his particular however he kept telling me sorry. The lorry (YP7517A) driver tries to shift his lorry (YP7517A) and however he moved forward and reverse again. His lorry (YP7517A) rear hit onto my lorry (GBE8135S) front again. I then asked him for his particulars again however he refused. The lorry (YP7517A) driver gets into his lorry (YP7517A) and drove off quickly. I then called for police assistance. Traffic police came down to my scene and took my in-car camera SD card with him. The traffic police officer then told me to lodge a traffic accident report regarding this accident under TP IO Isa, Tel: 65476187. I had already informed my boss about the matter.
