#### Brief Details.

On 1st June 2023 at about 0917hrs, I was riding my white colour Honda XADV 750 with registration number: FBU8987R along Pan Island Expressway towards Changi before Old Police Academy. It was heavy and slow-moving traffic at that point of time. I was in the outer most right lane when I felt an impact from my rear. The impact caused me to wobble but I was able to regain my balance. I turned to the left and saw one Male rider on a black colour Harley Davidson with registration number: FBS2931B. He was swerving to the 2nd lane and out of balance. He then raised his right hand and continued riding off.

After the collision, I honked and shouted at the said rider to stop at the side but to no avail. I continued to follow, honked and shouted at him to stop at the side for a whole minute before he eventually stopped. It seemed that he had no intention to stop and only did so after the constant honking and shouting. I asked him why he did not stop after hitting onto me. He replied saying that it was a minor accident, and no one dropped nor injured. I explained to him regardless of the severity, we should stop at the side and check with the other party after we hit anybody on the road. He was neither apologetic nor remorseful and insisted that it was only a 'small hit'. I got his name as Lawrence Yap with HP number 88384982.

I then made a visual check on my bike and noticed that my top box and bracket have dents and is misaligned. I went to Boon Siew Honda Singapore to have my motorcycle inspected. However, the person in-charge is only back on 3rd June 2023. At the present moment of this
