

On 23 May 2023, I, Muhammad Khairi Bin Rahim, NRIC no. S8101474D was riding back home from work at PIE towards Tuas (16.5km) nearby Toa Payoh when the accident happened. I was at the second lane and had a clear traffic in front of me. A car from the first lane suddenly swerved to my lane. Both my bike and the car collided as I am unable to brake or avoid it in time. I fell from my bike and sustain injuries that requires to be sent to the hospital.
