Subject: Fw: Request for Technical Assessment for Damaged Bus 1226Y

Hi Bryan,

I am writing to request for your service to provide us as a 3rd party assessor.

The said bus was involved in a fatal accident in Nov 2022. The bus was impounded by Traffic Police and was released back to us (SBS Transit) in early May 2023.

It is required by MoM to have a 3rd party assessor to assess the brake and steering system of the bus.

The bus was involved in an accident and front right section ran into a tree.

Currently, the bus is in one of SBST workshop. It is not able to be driven. Therefore, it is not possible to carry out brake test (as in going through roller brake tester).

However, we would like to have expert assessment on the conditions of the brake system and steering system as required by MoM.

Please do let me know if you are able to provide such accident assessment service. We can arrange to view the bus together and discuss on the way forward on this assignment.

Thank you

With regards,
Say Cheong
