**Sketch Plan**

**Describe Circumstance of the Accident**

I was driving along Bedale North road on the above started date and time. I had one passenger with me which was my wife. I was travelling on the second lane and I remember vehicle B was on the third lane. At one point of time while driving, our cars were close to each other but there was no collision and there was no contact between our cars. My wife told me that our cars were like too near to each other and when she told me I moved away from there.
