Brief Details.

On the 05/06/2023 at about 1345hrs, I was driving up the carpark at 7 Mandai Link (Mandai Connection) and there is a slight bend with only two lanes at the carpark.

While driving up, I saw one lorry (GBJ5460X) heading down from my lane, the driver then turned left to opposite lane which is the correct lane to head downwards.

As such, I swerved to the left from my lane to avoid him and hence the front right side of my vehicle hit onto the right rear of the lorry.

I then got off my vehicle to make a check on the other party and there were no visible injuries on him and the other four of his passengers.

We then exchanged particulars and subsequently went on our way and report the accident to our insurance company.
